

March 5, 1949.

Dear Admiral Souers:

Thank you for your letter of February 25th.

As you know, I am extremely interested in the subject on which our Committee worked and I am convinced of its importance to our country, especially at the present time. I am most happy if my efforts have served to make some small contribution to the advancement of that important work.

All the best.

Sincerely,

Admiral Sidney W. Souers,  
Executive Secretary,  
National Security Council,  
Washington, D.C.
